    new file:   welcome.txt
```

The screenshot shows a web browser displaying the GitHub repository page for 'GitDemo' by user 'dhivya812'. The repository is public and has 1 branch (main) and 0 tags. The commit history shows a single commit by 'dhivya812' titled 'Added welcome.txt' with commit hash '5dee3ba' and a timestamp of '11 minutes ago'. The file 'welcome.txt' is listed as added in the same commit. The README section is currently empty, with a prompt to 'Add a README' to help people understand the project. On the right sidebar, the 'About' section states 'No description, website, or topics provided.' and shows 0 stars, 0 watching, and 0 forks. The 'Releases' section shows 'No releases published' with a link to 'Create a new release'. The 'Packages' section shows 'No packages published' with a link to 'Publish your first package'. The 'Contributors' section lists 'dhivya812' as the sole contributor.
